Topics that might cause one child to be concerned may not be a cause for concern for another. We will make every attempt to communicate with you when your class will be discussing a topic that we feel could be sensitive. However, you can help us by listing topics that you feel you want to know about, or topics about which you feel your child might find sensitive in nature or need help in coping.

Parents are strongly encouraged to volunteer as playground supervisors at least three times a year. Please see CRE or the RE calendar for a list of dates.

Our Whole Lives (OWL): Lifespan Sexuality Education (register separately)

Honest, accurate information about human sexuality. It dismantles stereotypes and assumptions, builds self-acceptance and self-esteem, fosters healthy relationships, improves decision making, and has the potential to save lives. For these reasons and more, we are proud to offer Our Whole Lives (OWL), a comprehensive, lifespan sexuality education for grades 7-12 from September to April this school year. If you are interested in having your younger child, grades 1-6, take part, please contact Angela Farmer, CRE, or Emily Graff, RE Committee Chair.
