RE Program REgistration Form 2024-2025

Important:

Because of the nature of religious exploration, there will be times when your child’s class will be discussing a topic that may be of a sensitive nature. Topics that might cause one child to be concerned may not be a cause for concern for another. We will make every attempt to communicate with you when your child’s class will be discussing a topic we feel could be sensitive. However, you can help us by listing topics that you feel you want to know about, or topics about which you feel your child might find sensitive in nature, or help in coping.

Please write in any other special concerns or things you wish for us to know about your child.
